Mark L. Gillem, PhD, RA,  
FAIA, FAICP

The image features a dark blue background with a complex 3D geometric design. Two large, golden, diamond-shaped outlines are positioned on either side of the center. Behind these outlines are two large spheres covered in a grid of small, glowing golden dots. The floor is also covered in a grid of these glowing dots, creating a perspective effect. The overall lighting is warm and golden, with bright highlights on the edges of the geometric shapes and the dots themselves.

*Thank You!*
